Capital Appearance—The Beatles performed for a youthful audience in Washington on the night of February 12.

Opening for Juniors—These college juniors join the Peace Corps' new summer project for six to eight weeks of training similar to that for regular Peace Corps volunteers. They later did surveying work near Taos, N.M. After graduation they will be sent to Latin America.

Ranger on Target—This is a photograph of the lunar surface taken by the Ranger 7 spacecraft prior to its impact on the moon July 31st. The area shown is about one and two-thirds miles on a side. The smallest craters are about 30 feet in diameter and 10 feet deep. Some of the large craters are about 300 feet in diameter.

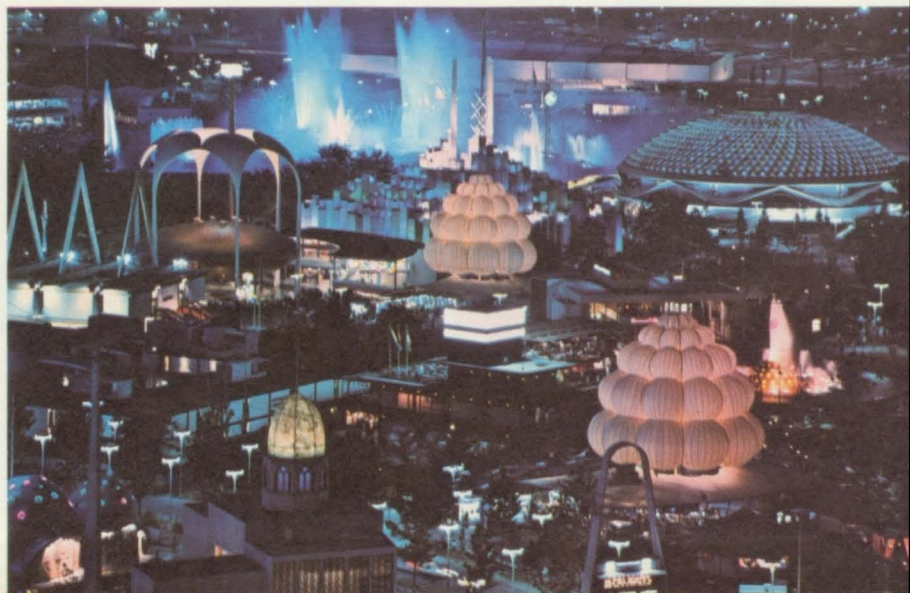

Family Grieves—Gust Carlson, father of Dr. Paul Carlson, medical missionary slain by rebel troops in the Congo, dabbed at his eyes during a news conference in Los Angeles on November 24. He is flanked by his daughter and another son.

New Teen-Age Queen—Smiling Carolyn Mignini, 17, of Baltimore was crowned the new Miss Teen-age America of 1965 in Dallas on November 13.

World's Fair at Night—The New York World's Fair attracted as many visitors at night as it did during the day following its April opening. The nighttime lights set off the beautiful pavilions constructed by many countries.

Democratic Victor—President Lyndon Johnson won the 1964 election by the greatest plurality and per cent of the total vote in U. S. history. Johnson became President at the assassination of John F. Kennedy in 1963.

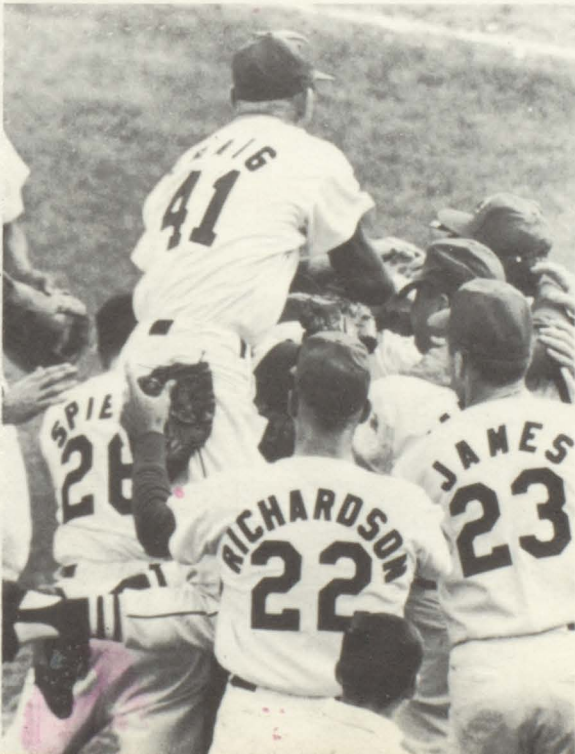

Barry's Battle for Votes—Sen. Barry Goldwater was surrounded by fans at Knoxville, Tenn., airport September 16 as he campaigned for the presidency on the Republican ticket. The conservative senator swept to a first-ballot nomination at the convention in San Francisco.

Nobel Prize Winner—Dr. Martin Luther King, Jr., right, was greeted by Richard C. Patterson, commissioner of public events, at Kennedy International Airport Dec. 16 on arrival from Europe. Dr. King was in Oslo to receive the 1964 Nobel Peace Prize.

National Events in Review—1964

Cards are the Winners—Roger Craig leaped on a group of teammates surrounding the pitcher Bob Gibson moments after the last out in the seventh World Series game won by the Redbirds over the Yankees, 7-5, in St. Louis.

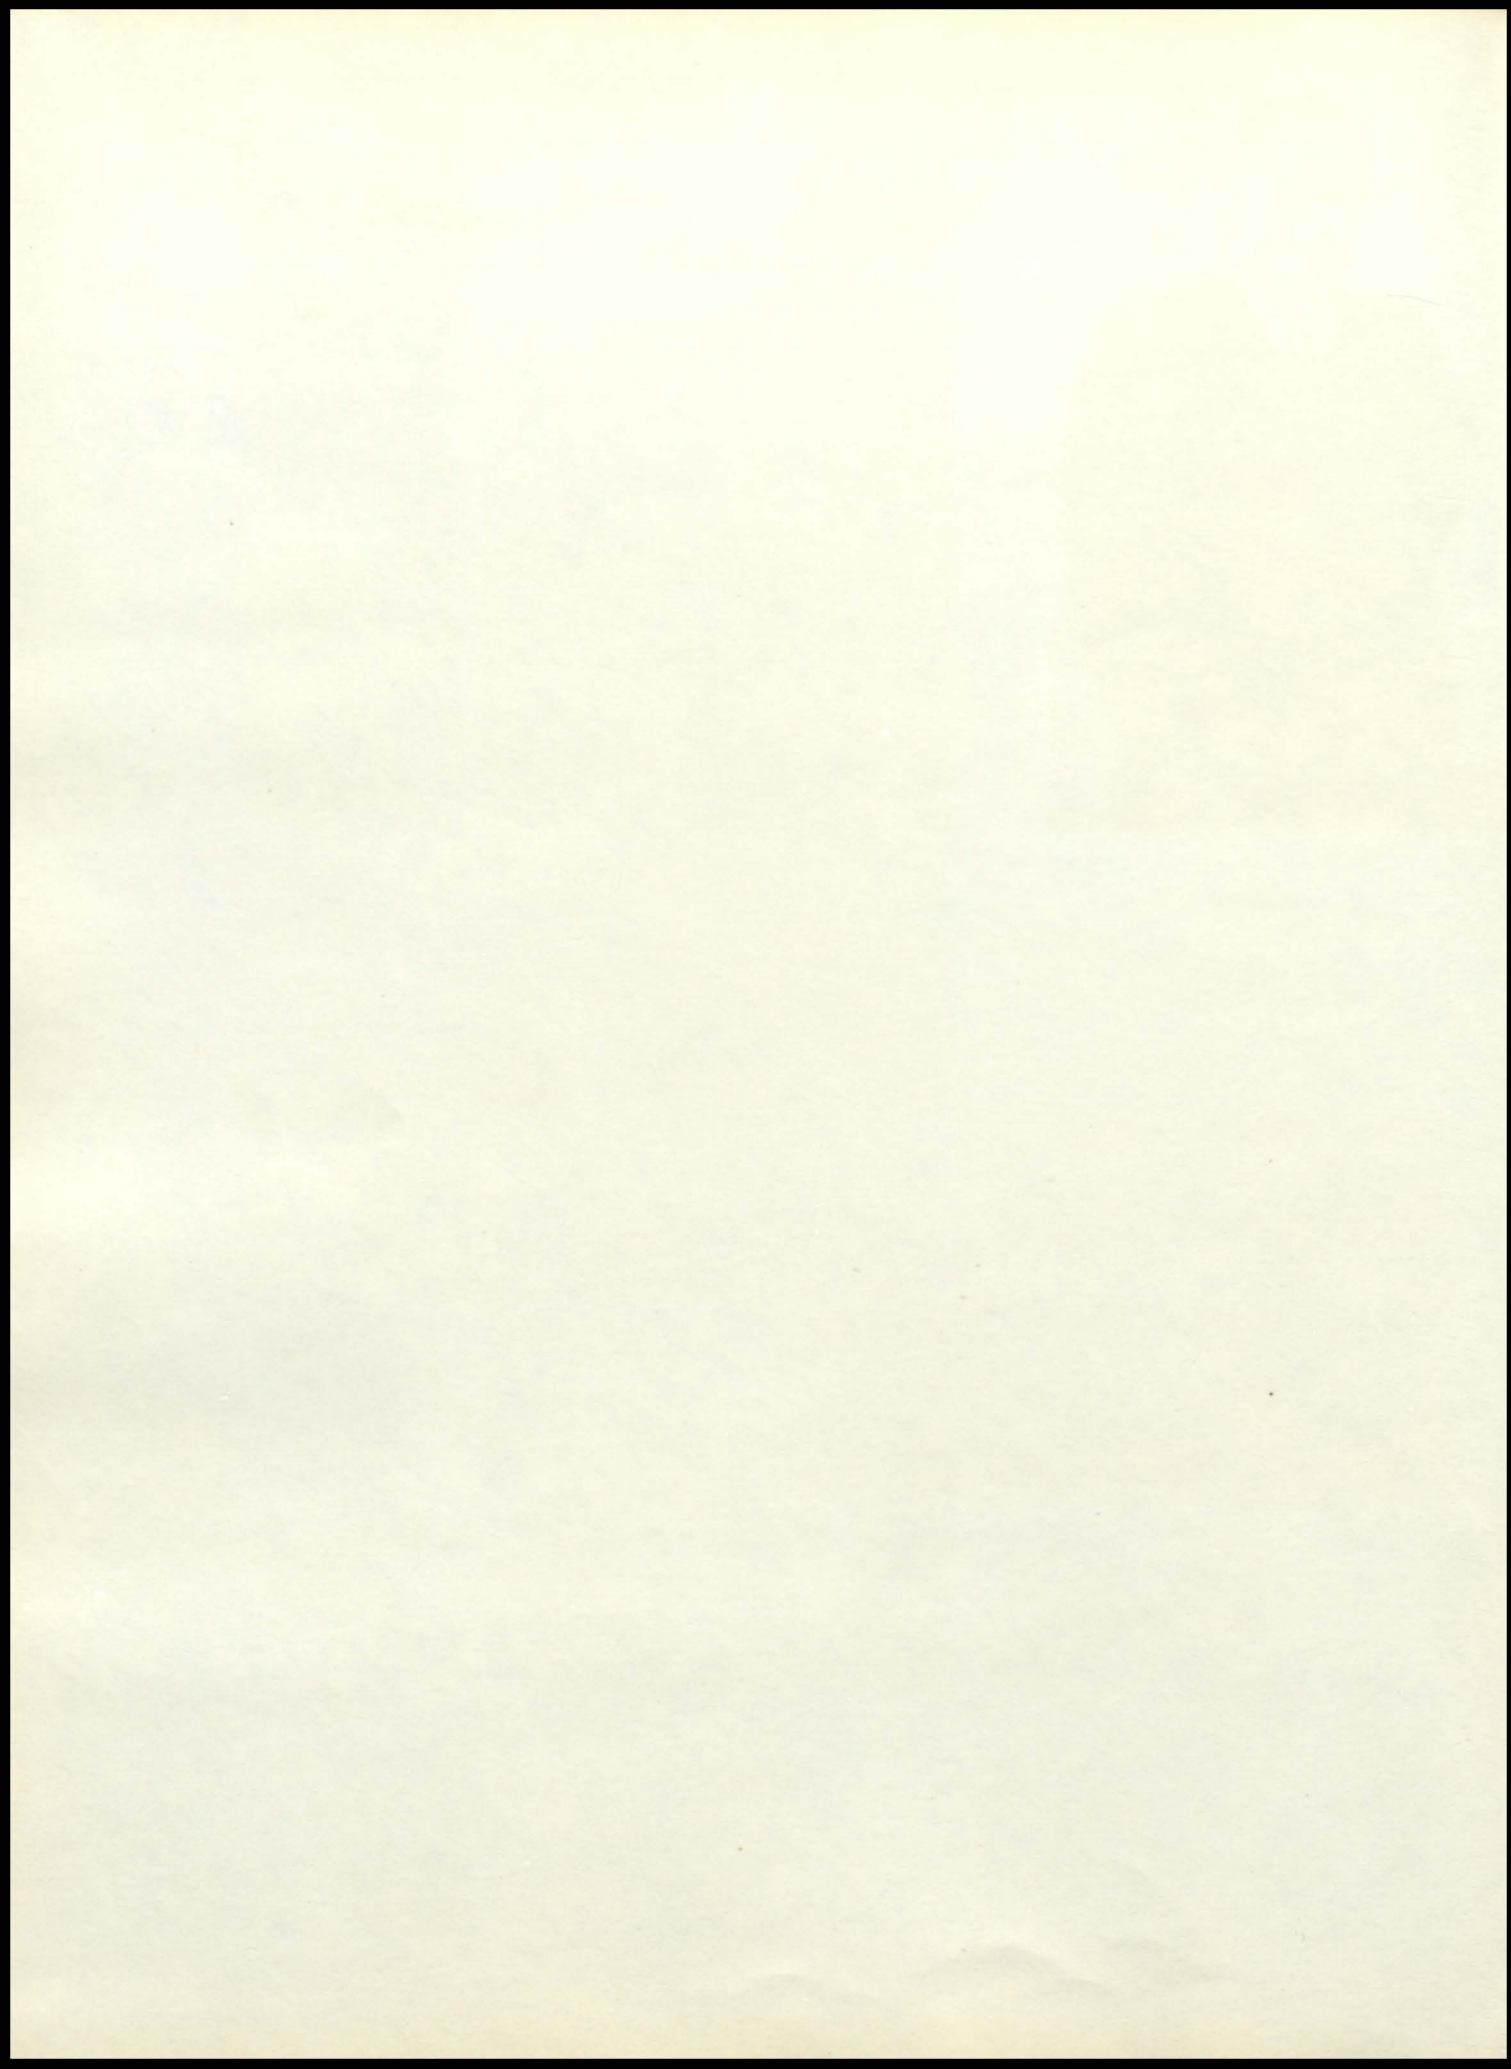

I'm the Greatest—Cassius Clay whooped it up with his handlers after he won the world heavyweight title in Miami Beach in February. He was credited with a technical knockout of Sonny Liston when Liston failed to answer the bell for the seventh round.

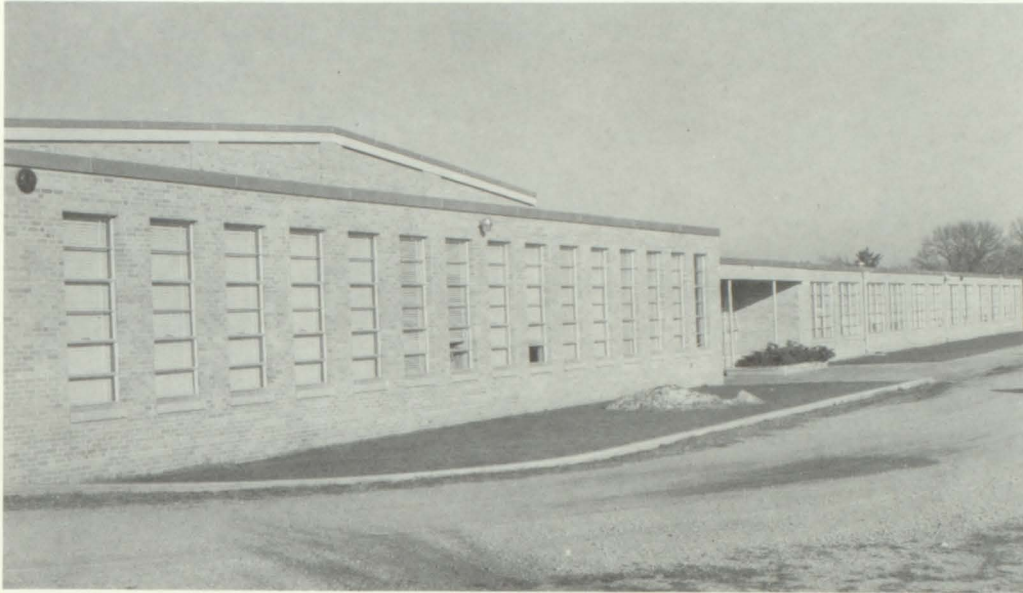

Alaskan Quake—A whole line of cars rested about 20 feet below street level on a main thoroughfare in Anchorage the day following the disastrous earthquake on March 27.

DEDICATION

To our friend and teacher, Mr. Becker

Why He Teaches

Because he would be wise and wisdom find
From millions gone before whose torch he passed,
Still burning bright to light the paths that wind
So steep and rugged for each lad and lass
Slow-climbing to the unrevealed above,
He teaches.

Because in passing on the living flame
That ever brighter burns the ages through,
He hath done service that is worth the name
Can we buy say, "The flame of knowledge grew
A little brighter in the hands he taught,"
He teaches.

SENIOR HIGHLIGHTS

In 1961 this senior class started their last four years. Because of the reorganization the freshmen became part of the junior high. The students worked hard in their athletic, music, and dramatic organizations during the year. Upon promotion to the high school these students engaged in many new activities. During the course of the sophomore year they raked the park and were in charge of the coat check at the various events. Their aim was to earn money for the prom the following year.

As juniors all thoughts were directed to a successful prom. In order to earn more money they volunteered for several jobs. They chose "Oriental Gardens" for their theme. It was beautifully portrayed.

The final year of this class was highlighted by a three crown trophy earned by the athletic department for football, basketball, and track. Also the concert band received a I rating at the state music contest and the mixed chorus received a II rating. The increase in interest in journalism made it especially successful. The speech department represented Sutherland at both the district and state contest.

Because of the students initiative and firm foundation of the underclassmen the year of 1964-65 proved to be very rewarding and a lasting memory in the minds of the members of the senior class.

Remember the seniors as . . .

The 1964 football team is well worthy of recognition. Their record of 8 wins and no losses earned for them the Sioux Valley Conference title. It is interesting to note that this is the first time a Sutherland football team has had an undefeated record.

The "Tigers" will graduate 14 lettermen all of which contributed to the success of the team.

Best of luck to the 8 returning lettermen, Coach Becker, and the remainder of the team for an equally successful season next year.

Mile Relay--First in U.S.D. Invitational
D. Freed, B. Rongstad, D. Castor, M. Frolkey

The track team was eager to add to the many honors already earned by the athletic department. Out of the fourteen track meets in which they participated seven firsts and four seconds were compiled. They held the Sioux Valley Conference Title and were third in the state track meet. Twenty-two meet records were set and seven school records. The team received twenty-four trophies. This group put the finishing glow to the athletic department for the 1964-65 school year.

The Junior High Music Department worked very hard the past year. Their hard work provided a firm foundation for a successful music department in the senior high school. The vocal department presented a concert during the course of the year. It was very entertaining and successful.

The band also presented a program. They and the grade school band also contributed to the spring high school band concert.

This year the Lettermen's Club purchased a whirlpool for the athletic department. In order to pay for this project they sponsored the town team games. The twenty five members of this organization have each lettered in one sport during the past year. Although this group is only a few years old it has certainly contributed much to the school and been an excellent representative.

Journalism at Sutherland

Journalism is an ever increasing phase at the Sutherland High School. This year the newspaper publications were outstanding. One of the staff's projects was to include everyone's name in the high school at least once in the paper. They also covered all the organizations. For the last nine weeks the new editor, Marlene Fiddelke, assumed her duties.

In February part of the annual staff sold ads. They sold fifty-two ads and received thirteen donations. This support from the community surely helped. The annual was finally completed in the first part of May. Special thanks to Diane Mathern who did nearly all of the typing for the annual.

Outstanding members of both of these groups comprise the Quill and Scroll. This is an honorary organization for these students. During the year six new members were received into the organization. They were Marlene Fiddelke, Linda Stiemke, Susan Hoepfner, Linda Friedrichsen, Dany Castor, and Diane Mathern.

MEMORIES

Sutherland students anxiously await the coming events of the day.

Many preparations are necessary for a successful Homecoming.

Homecoming . . . 1965

On the morning of October 2 few textbooks were opened because of the anticipation of the coming events. The afternoon was highlighted by the spirited pep meeting, the crowning of Reva Hagen and Marvin Solko as king and queen, and the lovely parade. There was an added touch of perfection as Sutherland walloped Primghar 34-0. The evening was concluded by the traditional Homecoming Dance.

Linda Riebesell crowns the 1965 Homecoming Queen, Miss Reva Hagen.

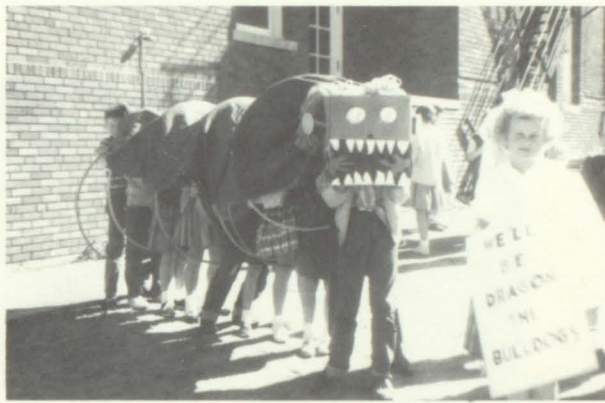

Mr. Becker, our coach, gives his predictions for the outcome of the football game.

Sutherland Vs. Aurelia

The football team closed their season with an undefeated record and also earned the title of "champs" of the Sioux Valley Conference.

With the close of the football season came several changes. As far as the athletic department the Tigers now turned their thoughts to the future success of the basketball team. Also the conversation in the halls changed from "Who made that touchdown in the game last Friday night?" to "Boy, I can hardly wait till the basketball game at Paullina!"

Many students do not realize that the music department was undergoing a change, too. At the last football game the band students checked in their uniforms and left the memories of rain drenched hair and muddy shoes behind. They then looked forward to the preparation of the concert band.

MERRY CHRISTMAS

With exams, schoolwork, and extracurricular activities we found ourselves involved in a routine of daily responsibilities. However, as the end of the year approached everyone looked forward to Christmas vacation.

This past year the student council planned a very fine program. It consisted of games for all, singing Christmas carols, and treats given by the faculty.

The attorneys

At 8:00 P.M. on October 13, 1964 the senior class play began. The setting, a courtroom, was vividly portrayed by all members of the cast. The jury was selected from the audience. In the final moments the defendant was declared innocent.

HAWAIIAN CRUISE

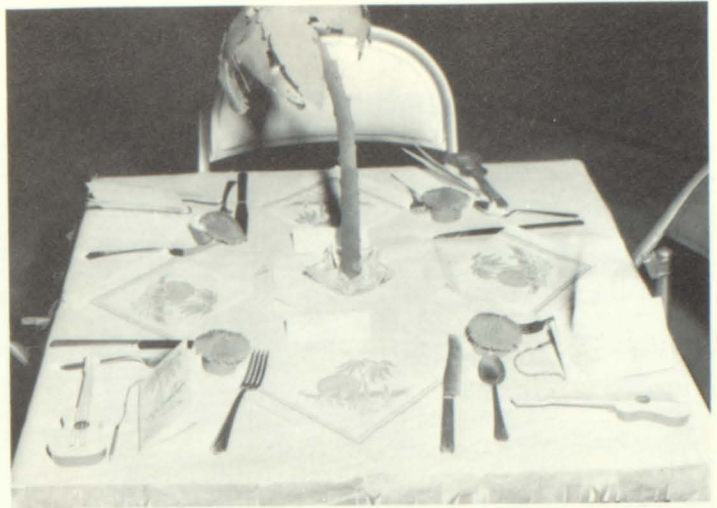

The juniors work hard to complete their prom.

A traditional Hawaiian welcome by the waitresses.

The tables are beautifully decorated.

The night of March 27, 1965 for which juniors and seniors anxiously await finally arrived. One could see a whirl of beautiful party dresses and dark suits. This evening all the juniors and seniors of Sutherland High School became passengers on a "Hawaiian Cruise."

To enter this paradise each student walked down the gang plank of a boat and was greeted by Hawaiian girls. At this time each passenger received their traditional flower necklace, the lei. After being served a delicious meal catered by L'Trio and served by the sophomore class, the program began. To complete the lovely evening everyone enjoyed the prom with the music provided by the Shattoes.

Track men pose for a picture.

With the end of the basketball season everyone realized the last day of school was approaching fast. The last nine weeks of school became busier and busier. The halls were filled with hurdles for track practice and the rooms were occupied with music ensembles preparing for contest. Mr. Hoyne ran frantically from room to room advising the students about tone and notes, while Mr. Becker encouraged the boys to run faster and jump higher. Oh, those hectic days!

The woodwind trio practicing for contest.

Well--they did most of the time!

AT SUTHERLAND

The annual staff works on THE DUKE.

Marlene Fiddelke, editor, writes an editorial for The Tiger Echo.

Besides track, small and large group contest, meetings of the various organizations, and school work students were also busy preparing the annual and newspaper. The journalism department should be remembered for the many hours spent in preparing publications which provide enjoyment for the student body. Every year the National Honor Society inducts new members into their organization. The six new members were chosen by their character, scholarship, leadership, and service. They were Cheryl Weale, Steve Farquhar, Charlotte Bandholz, Sheryl Adams, Joel Orthmann, and Susan Haye. After an impressive ceremony in the gym a tea was held in honor of the new members.

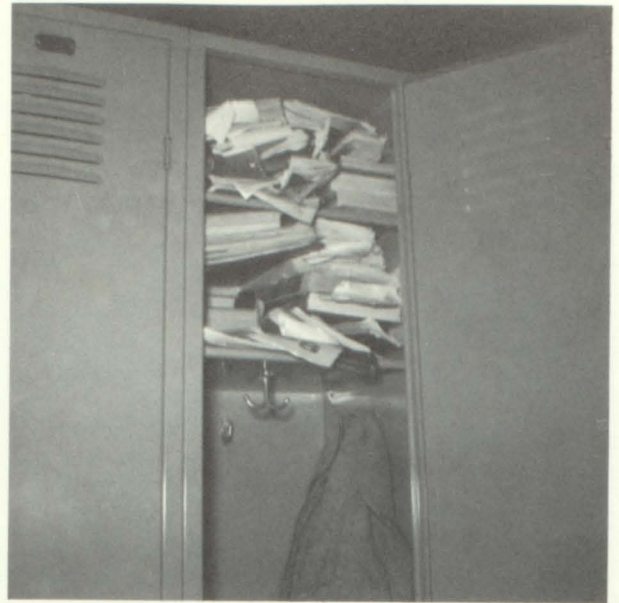

The new members listen to the qualifications of the Honor Society.

The pledge is recited.

Excitement grew as each senior realized the ending of each day brought graduation closer,

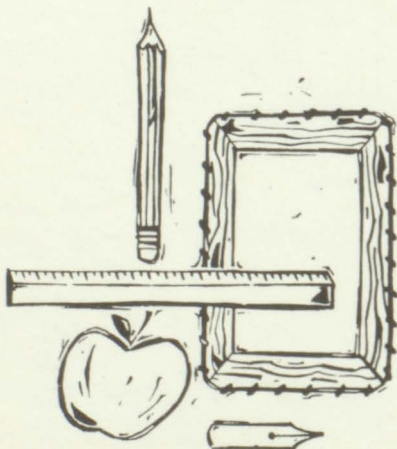

but first there were lockers to be cleaned.

One of the final events, the activities banquet.
