7. In August, flood waters of the Chena River in Alaska caused hundreds of millions of dollars in damage. Fifteen thousand residents of Fairbanks were evacuated.

8. In July, 4,700 Federal troops were called in to suppress rioting in Detroit, Michigan. Many other cities experienced similar riots during 1967.

9. On November 9, following years of preparation and the expenditure of billions of dollars, the first giant Saturn rocket was launched from Cape Kennedy.

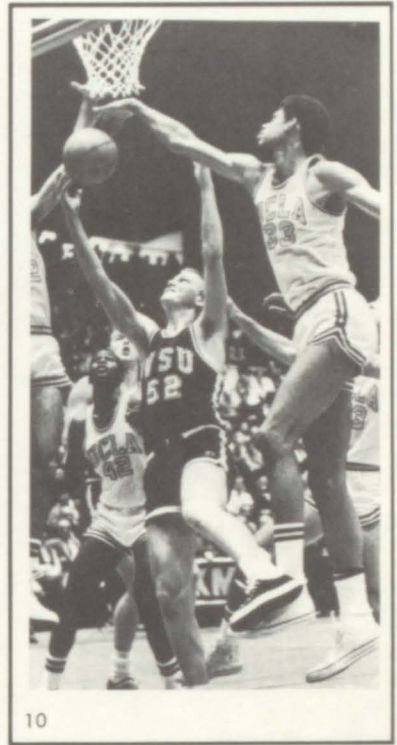

10. UCLA's basketball team, featuring 7-foot, 2-inch Lew Alcindor, was undefeated in 1967 and could conceivably set an all time win record during 1968.

# DEDICATION

We, the Senior Class of 1968, dedicate this annual to the United States servicemen in appreciation for their fighting efforts. We sincerely hope that through their actions the perfect peace suggested in the poem may come.

## PEACE

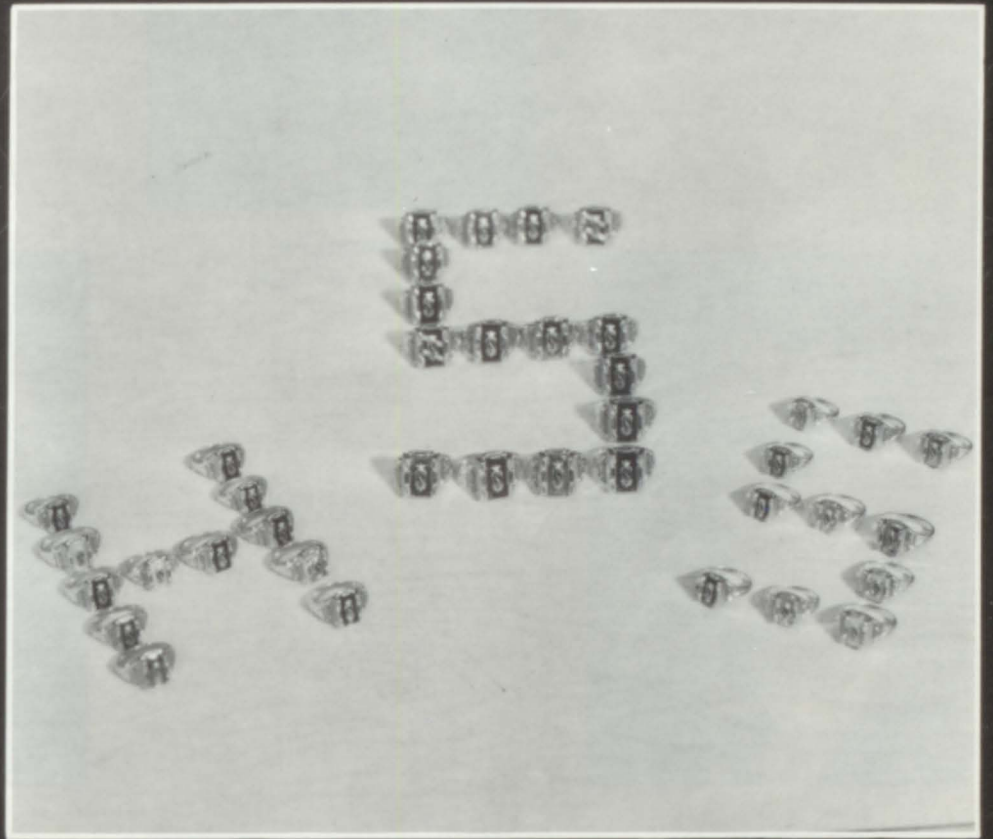

Clinton Scollard

Not with the high-voiced fife,  
Nor with the deep-voiced drum,  
To mark the end of strife  
The perfect Peace shall come.

Nor pomp nor pageant grant  
Shall bring War's blest surcease,  
But silent, from God's hand  
Shall come the perfect Peace!

The Junior-Senior Prom, "Gone With the Wind," was held on April 20, 1968. The walls were decorated with beautiful murals showing a riverboat, a Confederate flag, and other scenes of that era. A colonial mansion and magnolia trees created an atmosphere of "Southern Hospitality." After being served a delicious meal catered by L'Trio, the program began. Everyone enjoyed the music furnished by the Four-gone Conclusions.

## In Review INTERNATIONAL EVENTS

1. British hippies claim that their aim is different from that of American hippies... they don't want to "drop out" of society, but to stay in and change it.

2. French President Charles DeGaulle stirred up a lot of controversy during 1967—here he explains why he feels Britain should not be a Common Market member.

3. Soldiers of the U.S. 4th Infantry Division rest atop Hill 1338 following a fierce battle with the North Vietnamese for the hill in the Dak To area.

4. Israeli soldiers fly their flag from a mosque in the Sinai desert captured by the Israelis during the short-lived Arab-Israeli war in June of 1967.

5. Waving red-colored booklets of Mao's quotations, pro-communist Chinese swarm in front of the Governor's House during May demonstrations in Hong Kong.

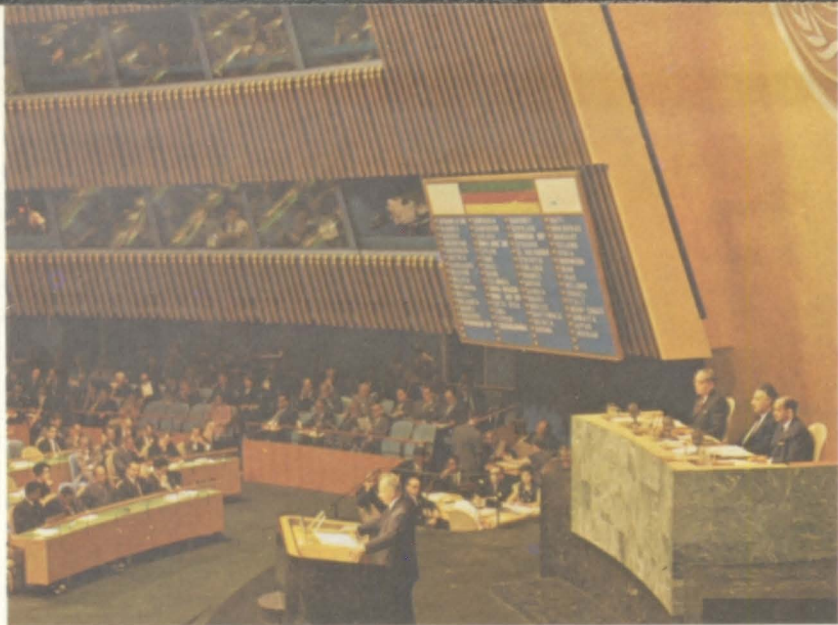

6. Mrs. Svetlana Alliluyeva, daughter of the late Soviet dictator Joseph Stalin, was a bit surprised that her defection created so much stir in the U. S.

7. In June, Soviet Premier Alexei N. Kosygin came to the United States to address the UN about the Arab-Israeli war and later talked with President Johnson.

8. An Army vehicle bears the casket of former West German Chancellor Konrad Adenauer from Cologne Cathedral, April 25, following a Requiem Mass.

9. Suits came back into fashion during 1967. This one was designed by Lito Manalang for a young fashion house, the year-old British Moderns of New York.

10. This wide angle view of the moon's hidden side was taken on August 6, 1967 and transmitted back to the Jet Propulsion Lab in Pasadena, California.

11. Heavy monsoon rains turned most of South Vietnam into a quagmire during the summer of 1967. Here, U.S. marines prepare to board a Chinook helicopter.

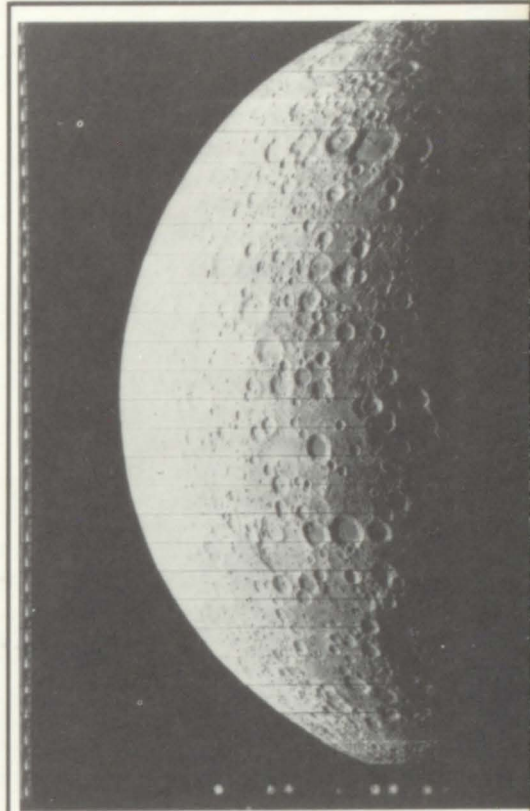

12. President Johnson, shown here in Vietnam, staunchly defended the nation's participation in the Vietnam war despite widespread protests and demonstrations.
