The local school board of the Sutherland Community School District are concerned citizens who have consented to serve an important function for the community. In a job which is often open to criticism, these men have developed an educational system which has provided an excellent opportunity for the growth of its young citizens, both mentally and morally. It is a job that reaps little thanks, but demands great amounts of work. To show its appreciation for the service rendered the school, the yearbook staff presents each member of the school board with a free copy of THE DUKE.

TRACK IS...

the mile relay

standing on one foot.

feeling butterflies.

leaping high hurdles with a single bound.

jumping 4" taller than you are.

running a 2 minute half.

coming around that last corner - alone.

The trophy case!

seeing what the weather is really like up there.

moments of concentration.

running two miles!

pushing the bus.

Bambi!!!

Denny with his fingers
in the honey

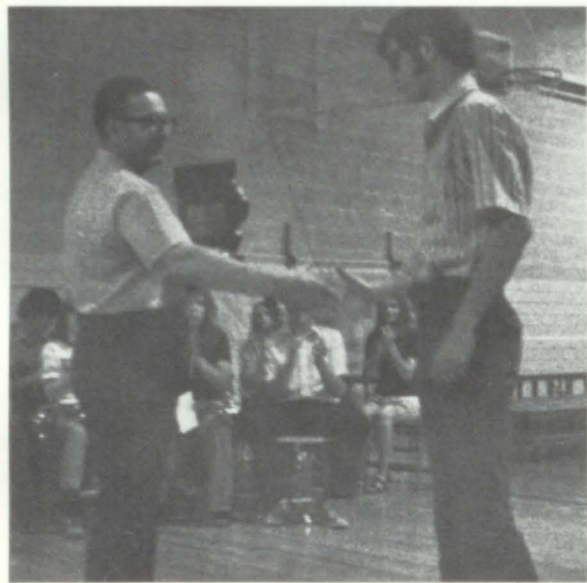

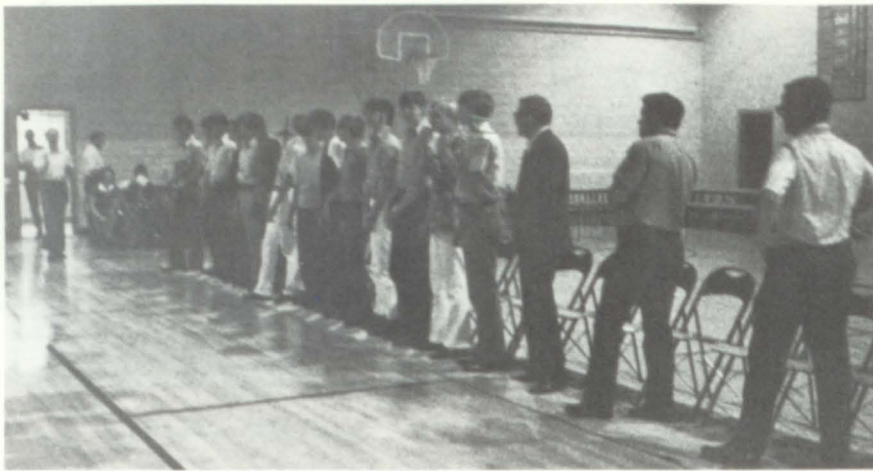

Having Gene Sherman for one of YOUR fans!!

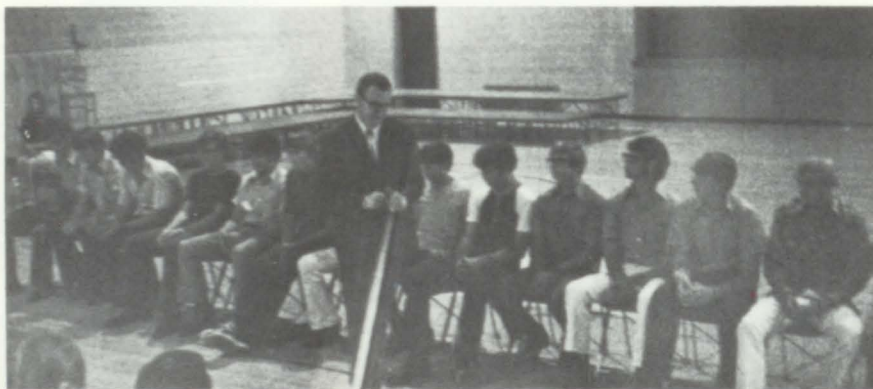

Breaking the tape before anyone else even
thought about it.

knowing you're the BEST!!

To show their pride for the track team, the Community held a welcome home for the boys when they returned from the state track meet. On behalf of their respective Communities, Harry Brink and Duane Reimers welcomed the state runner-up track team home and voiced the pride that they and their communities felt. Dan Schultz then presented the Class C State Runner-up trophy to the school.

Sweet, until you know them.

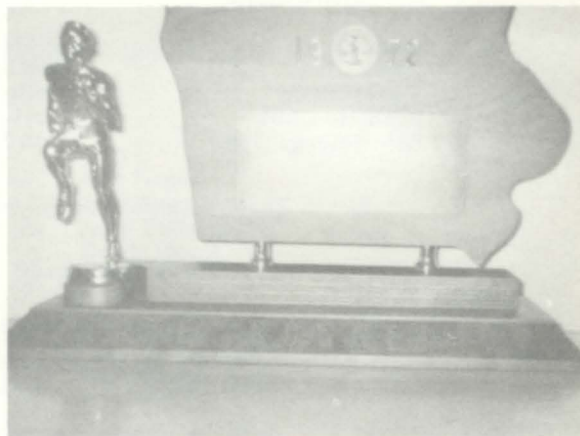

"I think we'll shorten it about two inches."

"I gotcha"

You've heard of Mama Cass, how 'bout "Mama Cool"?

Our great physicist

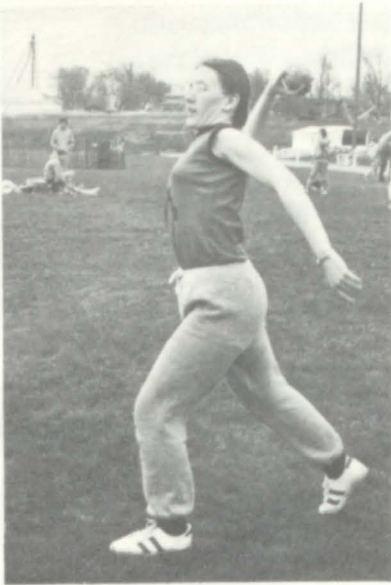

Good form!

What can you say about this?

Hot Lips!

Expert Softball thrower!

If you think he looks bad now... you should have seen him before!

"I have to quit eating at the grade school."

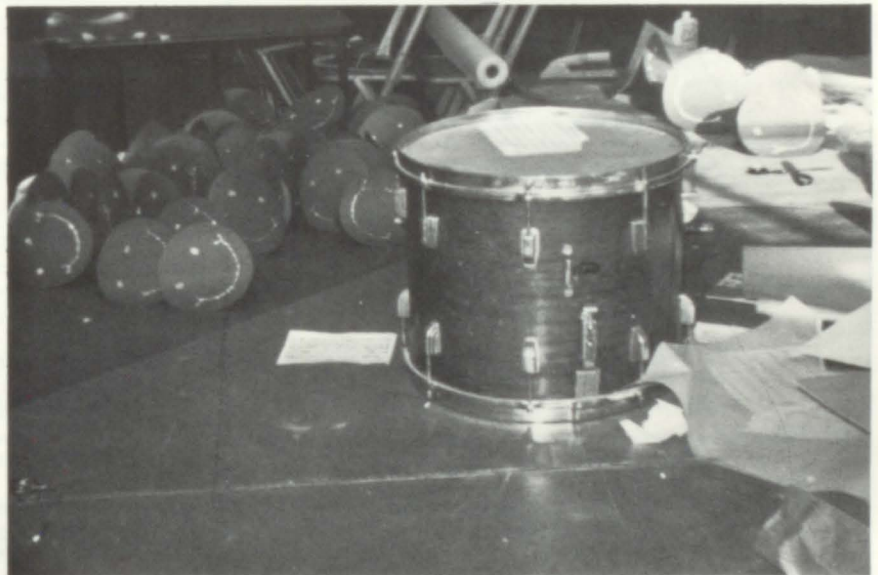

When we asked them their ages. . .

Not everyone can have fun carrying suitcases

You never know what will come out of a locker.
