SAVANA

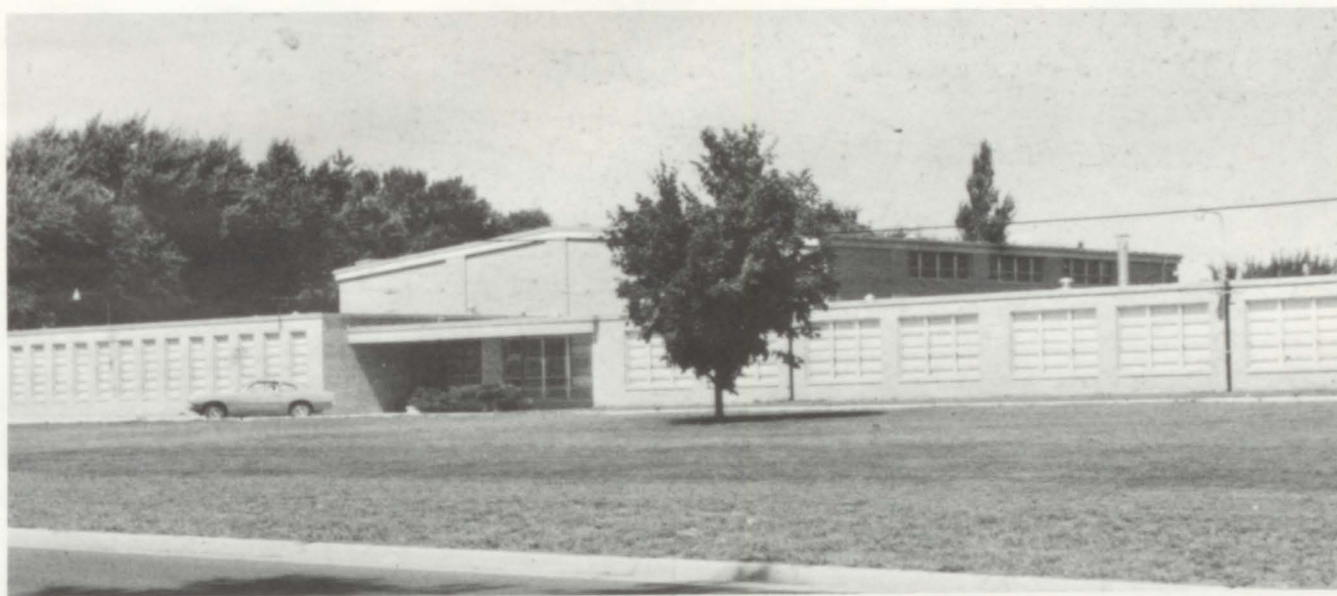

*1975 TIGER DUKE*

*SUTHERLAND COMM. SCHOOL  
SUTHERLAND, IOWA*

Each year, the annual is dedicated to someone that the seniors feel has been important or an asset to their class throughout the year, but the seniors of 1975 failed to find someone who they honestly felt was deserving. We did not find only one person deserving, but several people we felt were special to us. This dedication is to the parents of the seniors of 1975 who have died and also to their spouses who have suffered a loss and taken new responsibilities in the raising of their children. This is to you Mom and Dad with all my love and the thoughts of the senior class of 1975.

## Just For You

Of the years I had with you, how many times did I really say I Love You?

but because I've only now realized what they mean, now that it's too late.

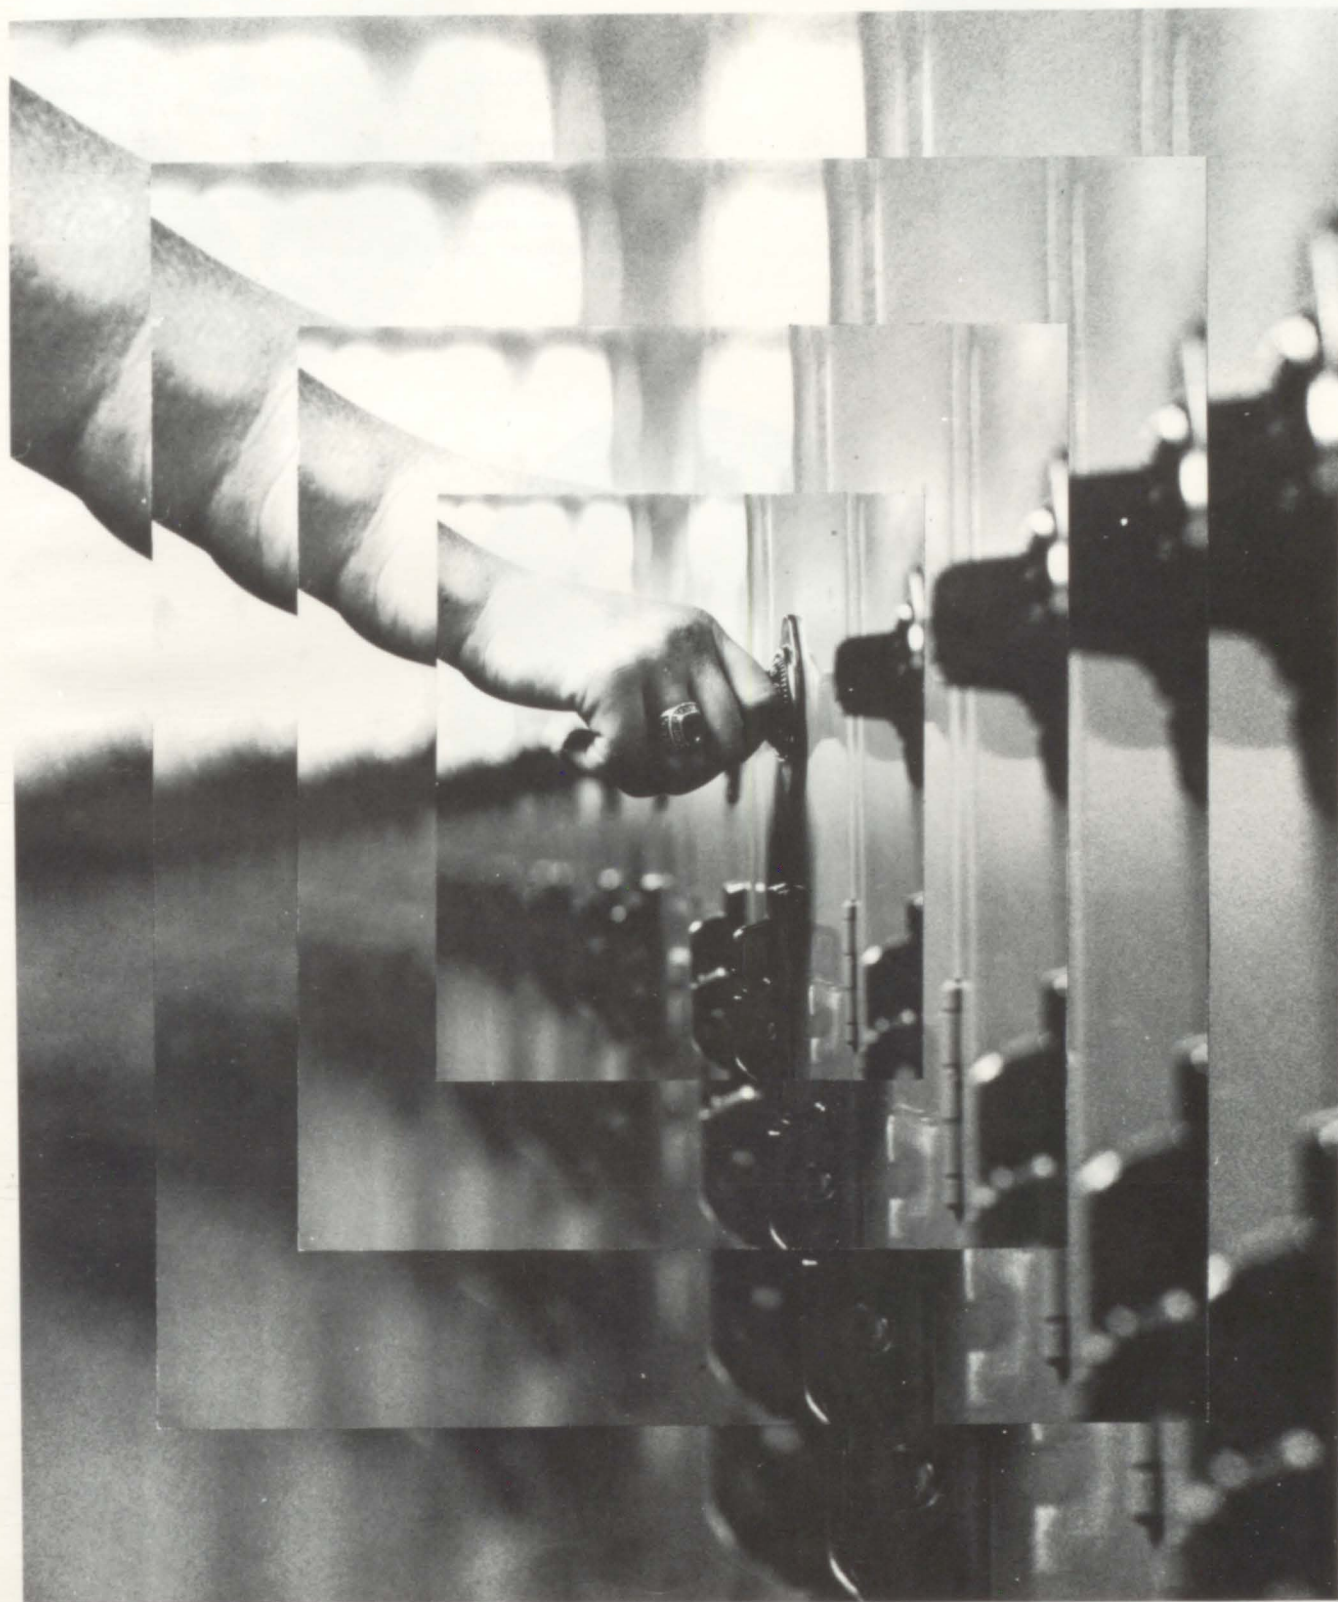

No, you can't say let me count the ways it wouldn't be fair, because I think the numbers would be so few.

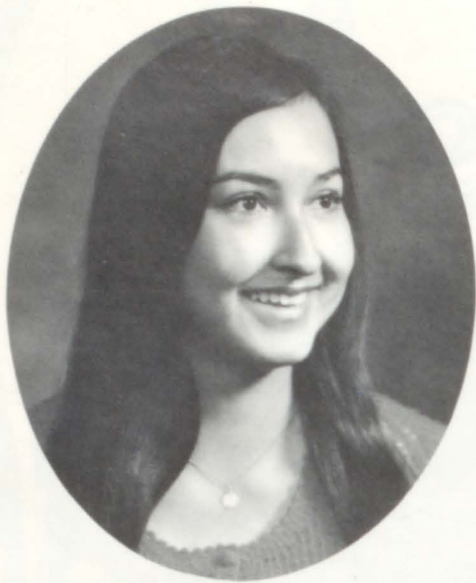

Of the years I'll be without you, I'll tell the ones you've left behind all about you. I'll live for you and I'll live for them, but most of all, I'll live for myself and be something strong and important for us all...

But now that you are gone, I've started to say "I Love You" in everything I do. Not because I owe the three little words to you,

Last year SHS had its' first foreign exchange student. This year we also had an exchange student. But instead of just one, as we had last year, we had two. That's right we had two. And Maria and Horacio were great assets to our year of New Beginnings.

During their sophomore year, the kids work really hard. They rake the park, sell candy at noon, and work at the concession stand during the basketball games. They do all this stuff so that during their junior year they have enough money to put on the Junior-Senior Banquet and Prom. This year it was really worth the effort they put forth.

The Student who participate in extra curricular speech work really hard. Some of them don't make it to State Speech Contest. They receive less than a one rating at District Contest, but they work just as hard as these people who received ones. But these people who did receive ones deserve a lot of praise. They worked extra hard and came up with th one they needed to make it to State Speech Contest.

# ATHLETICS

*QUEEN LORI WEATHERS  
KING DALE WAGGONER*

On a beautiful September day, SHS held its homecoming. The coronation started the festivities, followed by the pep rally, and then the parade. The evening ended very successfully, with the Tigers defeating the Alta Cyclones. After the football game, music by the Rhythm Aires was provided for the enjoyment of the students and alumni, and closed out the homecoming activities for another year.

## HIGH SCHOOL BOYS TRACK

### Schedule of Track Meets:

April 21--Elk Relays  
 April 25--5 team meet  
           at Aurelia  
 April 29--Conference Meet  
 May 5--Hawk Relays  
 May 9--District Meet  
 May 13--Bulldog Relays  
 May 17--Aurelia Relays  
 May 24--State Meet

Because of so much rain and snow and all that stuff, the track team had to cancel a few of their track meets. But they still had the ones named at the left here. The boys work very hard preparing for track meets and they deserve a lot of credit for working so hard to make Sutherland a place people can be proud of.
