WELCOME

We searched for ideas with which to open our book. The ideas came slowly and our minds were boggled. Then we came across this picture of our most ambitious student showing the rest of the class how it's really done. We felt that this picture depicted school life in general. It is the basis of all the student's ideas and actions. If it weren't for this large part of school, people would have nothing to look forward to and nothing to keep them going through the day. So for all of you people who are wide awake and always alert, put your head down and space it out, you'll be a better person for doing it.

COOKS AND JANITORS

The people in these pictures are those hard workers who have to endure endless hardships commonly known as cooks and janitors.

Pictured above on top are the elementary cooks who take care of the high school as well. They are: Micki Haht, Karen Thomas, Colleen Friedrichsen, and Mildred Darr.

To the left is our fearless high school custodian Ray Brechwald.

Pictured just above is Rick Giese who takes care of the elementary buildings.

Another hard-working individual who didn't get his picture taken is Francis Halverson who works at the junior high. Sorry!

MINI SWING SHOW

In the summer of 77, the stage band and swing choir were invited to perform for the band directors from this area. The mini swing show was held at the Marina Inn in Sioux City. The band and choir were fed a great meal before they played and were all well satisfied by it. It was fun and was a good experience for all the kids.

 P.2, This is the view from our home room at the Marina Inn, it overlooks the river.

Our melodrama play was a success this year. We felt that it was much better than past plays, mainly because of the show girls. There was a meal served before the play which consisted of ham or salsbury steak. These were sided by baked spuds, corn, and a salad bar. There was pre-show entertainment which consisted of singers such as Peg Schimmer, Kathy DeBoom, Dale Watterson, a boys quartet, and a girls trio. The audience also got into the act by taking part in a sing-along. Everybody had a good time and enjoyed the show. We would like to thank the teachers that helped to put it together.

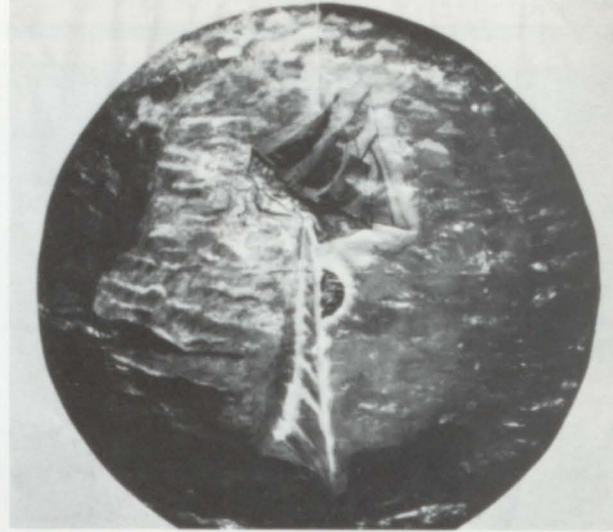

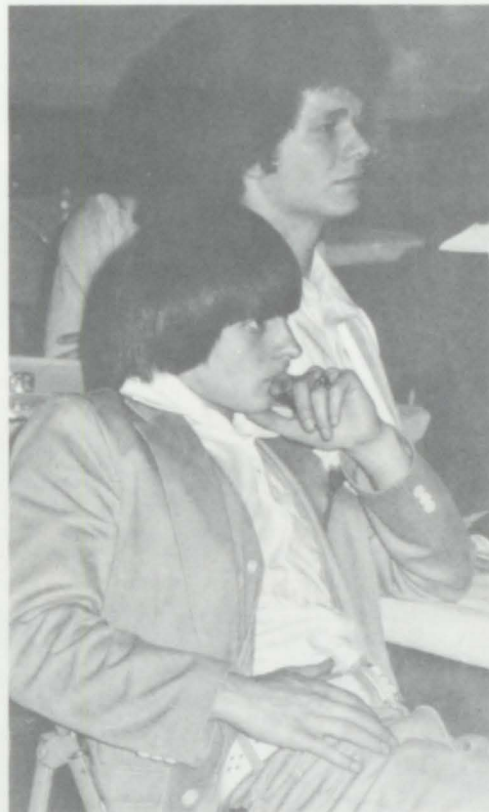

Come Sail Away was the theme for the 1978 Junior-Senior Prom held on the 22nd of April. The gym and refreshment room were decorated with blue and white streamers, fish net, and shells. A mural hung on one wall of the gym and pictures were taken by a boat. The evening began at 8:00 with music by NAN. The Junior Welcome was given later by Ric Sichelka which was acknowledged by David Sichelka. Punch and snacks, which included sandwiches, bars, cookies, potato chips, and pickles, were served by four sophomores: Sue Bina, Mary Ann Hill, Doug Dau, and Dan Sweeney.

CHILDREN'S THEATRE

This year as always, the Drama class put on a Children's Play under the direction of Mr. Dickmeyer. The play was enjoyed by youngsters and oldsters alike. The cast also had much fun in presenting the play which was entitled "Ferdinand and the Dirty Knight". The play was about a plain mop maker who gets caught up in a world of dragons, knighthood, and enchantment but manages to handle it very well. The cast included: Dan Bird, Todd Sohn, Dave Cacek, Dale Watterson, Brent Alexander, and Mike Grothe as

well as two non-class members, September Stettinichs and Cheryl Amendt. The Drama Class wishes to thank these two for their help and also Mr. Dickmeyer for putting up with them. The pictures are as follows: Picture 1: Todd Sohn as the dragon. Picture 2: Ferdinand holds a heavy load as Princess Melinda looks on. Picture 3: The dirty knight finally cleans up his act. HIGH SCHOOL FOOTBALL

During the 1977 season, the Tigers who were lead by eight seniors, finished with 1-7 record. There were alot of close games and a few breaks that could have gone our way but didn't. It was a very exciting season and the fans were very proud of their fighting Tigers.

HOMECOMING '77

Homecoming has always been an extra-special time of year at Sutherland, and 1977's edition was no exception. The students fired up for Homecoming during the week previous by decorating their lockers, decorating the halls, helping the cheerleaders decorate the gym, building floats, and wearing funny little booster pins that roared "Grrr". At long last the day that everyone had worked so hard for, arrived in all of its regal splendor. Homecoming Day, September 23, 1977, began with the coronation of Deb Litka and Russ Steele as Homecoming Queen and King. Immediately following the coronation ceremony, a pep meeting took place which included cheers, skits, a speech by Mr. Dana Vige, and a game of "Simon Says" lead by Mr. Joe Sweeney. To the disappointment of everyone, the parade which usually follows the pep meeting, had to be postponed due to the rainy weather.

DAVE & PEG

RICK & JAN CHRISTINE,

The parade was then re-scheduled for the following week, only to be postponed to the following week again due to the nasty weather. This pattern of re-scheduling and postponing continued over the next few weeks, until finally it was decided that the parade was never meant to be, hence the year 1977 never saw a homecoming parade at Sutherland. But unhindered by the weather and the lack of a parade, the Tiger fans still crowded around the gushy, muddy football field to watch their team do battle with the Paullina Panthers on a cold, drizzly Friday night. Even though the game's outcome was 48-18 in favor of Paullina, the Tigers fought with courage and pride. The day ended with the Homecoming Dance, being played at by "The Bandsmen and Kathy". Parents and students alike came and danced and everyone had a real fine

time. Despite the weather and the game's outcome, Homecoming 1977 was a success, for the spirit shown that day by the fans and the team was enough to make any day bright. 1- The alumni speaker for this year's pep meeting- the dashing Joe Sweeney. 2- Twirlers Teresa P., Renee S., and Nancy F.; play with fire at half time. 3- Dan B. romps thru the sign as the Tigers take the field the to begin the 2nd half. 4- Julie G. and Rich C. can be seen roaming the decorated halls of the S.H.S. around Homecoming time. 5- The high school float this year showed Snoopy "whaling" on a panther. BOY'S HIGH SCHOOL TRACK

During 1978, the Tigers enjoyed another outstanding track season. The Tigers were lead by five seniors and had outstanding individual effort from Greg Durst, Ric Sichelka, Dale Watterson, Chuck VanOverBeke, Marv Back, Mark Weaver, and Jeff Burns amongst others.

The Tiger's 880 & Mile Relays went to State as well as Greg Durst in the 220. Members of the two relay teams were Jon Negus, Mark Weaver, Dale Watterson, and again Greg Durst. This year, the Tigers won two meets, at Paullina and at Milford. We salute the Tigers on another great team effort.

GRADUATION

SCHOOL LIFE '71-'72

Graduation was held on Sunday afternoon this year. It was a very nice day and as usual the gym was packed. There was a total of forty seniors that graduated. The band played a number and Lori Steele played a solo on her trumpet. There were four seniors that gave graduation speeches. They were Dale Watterson, Dave Sichelka, Kathy Rhode, and Tami Woolston. It was a rather successful afternoon, nobody tripped or dropped their caps. Richard Hicks the president of the school board presented the diplomas, and Richard Fidellke took pictures. We would like to apologize for not having more pictures of this event which is so important to the seniors. The film which the graduation pictures were on was accidentally exposed and none of the pictures turned out.
